***Re: Submission of Consumer Complaint Logs  
CG Docket 03-123***

Dear Ms. Dortch:

On June 29, 2006, the California Public Utilities Commission submitted consumer complaint logs pertaining to telecommunications relay service (TRS) for the 12-month period from June 1, 2005 through May 31, 2006 from the three TRS providers in California: MCI, Nordia, and Sprint as well as complaint logs compiled by the CPUC's Deaf and Disabled Telecommunications Program (DDTP).

However, the MCI complaint log filed on June 29, 2006 by the Commission contained some inadvertent clerical errors. These errors have been fixed in the attached revised complaint log for the period from June 1, 2005 through May 31, 2006. Please disregard the earlier filing of the MCI complaint log for California and replace it with the revised attachments.

If you need any further information, or if you need the hard copies of or diskettes containing the complaint logs, please contact me at 415.703.2721.

Thank you for your assistance in our making this filing.

Sincerely,

/s/ JANE WHANG
